MUSIC & USE OF THE PROJECTOR, RULES FOR CHILDREN / DOGS AND DECORATING

Guests are welcome to play their own music for the duration of their event. Access to the aux is located behind the bar. Please just be considerate of our neighbours and keep volume to a reasonable level! We also have a projector available for slideshows and presentations.

Children are more than welcome in the pub until 7:30pm. Teenagers having a meal with family are welcome to stay until 9:30pm.

Dogs are welcome in the pub until 9pm as that's when it often gets to busy and noisy for their sensitive ears.

Guests are welcome to decorate the space with party banners and balloons, provided they are stuck with walls safe adhesives. We ask that this is just onto our wood panels and not the walls as it often peels off the paint. Early access can be arranged on an adhoc basis.
